Motion for an Amended Order

MOTION FOR AMENDED ORDER

Now comes the Madison County Emergency Telephone System Board and requests Illinois Commerce Commission approval of Motion for Amended Order as follows:

1. In cooperation with the Bond County Emergency Telephone System Board as a more economical and equally efficient method of providing E911 service to Bond County, Illinois, residents. The Madison County 911 system, with approval of "The Commission", has agreed to Bond County's request to opt out emergency 911 calls from several of their county residents to an answering point in the Madison County 911 System.
2. The callers to be opted out are Bond county residents within the Alhambra-Grantfork Telephone Company's Alhambra, Grantfork; and New Douglas exchanges as indicated in the Amended Petition filed by Madison County on January 30, 2001.
3. The Final Order entered in Docket 01-0038 on April 25, 2001, correctly included the Alhambra and New Douglas exchanges, however, the order also incorrectly included the exchanges of Pocahontas and Sorento. The Grantfork exchange was omitted in the order.

Wherefore, your Petitioner, the Madison County Emergency Telephone System Board, in the County of Madison, Illinois, prays that the Illinois Commerce Commission correct the Final Order in Docket 01-0038 issued on April 25, 2001, deleting the exchanges of Pocahontas and Sorento and replacing them with the Grantfork exchange as originally requested in the Amended Petition filed on January 30, 2001.
